No. HFW.(G) 1-4/78-I.—In pursuance of order dated 9-5-84 passed by the Hon'ble High Court of H. P. in C. W. P. 406/83—Shri H. L. Marwaha Vs. State of H. P. the Governor H. P. is pleased to constitute a Committee consisting of the following officers to screen the cases of all the present occupants of different premises in the Corstophan Estate, Shimla, with the end in view of recommending just relief to such of them whose cases require sympathetic consideration for allotment of alternative accommodation and for a reasonable/sufficient time to vacate the premises:—

1. the Secretary to the Govt. of H. P., P.W.D;
2. the Secretary to the Govt. of H. P., Health Department;
3. the Secretary to the Govt., Law Department; and
4. the Chief Engineer-cum-Secretary, H. P. Housing Board.

The Committee will consider the case of each occupant individually on the basis of material placed on the record of the proceeding as well as on the basis of such additional material which such occupant might place before the Committee or which the Committee itself may collect or gather as a result of a fact finding enquiry, if any. In case any material is gathered or collected by the Committee behind the back of any occupant, such material will be disclosed to the concerned occupants before it is taken into consideration against such occupant and he will be given an adequate opportunity to correct or controvert the same. Even otherwise the Committee will afford a personal hearing to each occupant if he/she so desires. In its deliberation, the Committee will be guided by the paramount consideration that in the present times, with paucity of accommodation and high rents, alternative accommodation and/or reason-

ably sufficient time to vacate the premises is required to be given to such of the original occupants/tenants and/or their heirs and legal representatives and even to some other who are found to be un-authorised occupants in the sense that their occupancy is not traceable to any legally valid title, especially if they belong to be economically weaker sections of the society, because all these persons and their families would otherwise suffer genuine hardship. The Committee will separately record its reasoned decision qua each occupant and recommend the relief which is required to be granted to such occupant.

The Committee will complete its deliberations within a period of three months from 9-5-1984 and submit its report to the State Government.

Dated the 6th April, 1984

ANNEXURE—I

AUDITOR'S REPORT

1. Fixed Assets: Rs. 52,68,663.65

The Fixed Assets Register has not been maintained and no details of Fixed Assets were made available to us for our verification. The physical verification of the Fixed Assets has also not been conducted by the Management at any stage.

The basis of charging depreciation on the following assets have not been explained to us:

Assets

Rate of Dep.

Civil work. at Paonta Sahib

4%

Plant & Machinery & Rail lines and Tipping Wagons at Brick Kiln Factory, Paonta Sahib

7.5%

2. Work-in-Progress : Rs. 2,66,27,981.00

(a) Expenditure incurred on schemes and buildings :

A sum of Rs. 4,34,18,947.90 has been spent by the Board on various plots, buildings and Housing Schemes upto 31st March, 1979. The aforesaid amount has been shown under "Work-in-Progress" without considering the fact, whether a particular scheme has been completed or not.

Township/Housing Colony has been treated as one unit and the same has not been bifurcated into various schemes. The actual cost of a particular scheme has not been ascertained and the deviations, if any, from budgeted costs have also not been worked out.

Moreover, even in cases where the respective schemes have completed and possession of flats/plots has been given to the allottees, the cost incurred is being shown under the head "Work-in-Progress", whereas after the completion of construction/development of a scheme and allotment of flats/plots to the public, the actual cost of that particular scheme should have been ascertained and shown separately as "Recoverable from the Allottee."

Furthermore, the cost of various buildings constructed and owned by the Board have not been transferred to fixed assets, but are being shown under the head "Work-in-Progress" only.

(b) Receipts from Allottees:

A sum of Rs. 1,67,90,966.90 representing initial deposits and instalments (Principal and interest) has been received from allottees on account of various commercial plots and buildings, multi-storeyed complex at Shimla and Housing Schemes. The said amount has been deducted from the total amount of Rs. 4,34,18,947.90 spent by the Board on these schemes upto 31st March, 1979.

The initial deposits/instalments received from the allottees should have been deducted from the total amount recoverable from the allottees, in respect of that particular scheme, to show the net amount recoverable from the allottees, scheme-wise.

The amount of interest received from the allottees after the completion of the respective schemes should have been treated as a "Revenue Receipt."

3. Stock in Hand: Rs. 16,70,216.44.

No physical verification of stocks has been conducted by the Management at any stage during the year. Since the physical inventories in respect of the material for works at sites at different divisions and stores and spares at Paonta Sahib were not available, the value of the same has been taken, as it stands in the financial ledgers as on 31st March, 1979. In the absence of any details, basis of valuation of the stocks could also not be verified.

In our opinion, physical verification of stocks must be conducted at least once at the end of the year and stocks reconciliation reports, reconciling the stocks records and the financial ledgers should be prepared. The stocks as at the end of the year should be worked out on the basis of the physical inventories and adequate adjustments should be made for shortages, excesses, if any.

Stationery-in-hand amounting to Rs. 6,198.72 has been calculated at Head Office only and no details of stationery-in-hand has been worked out, at the respective divisions.

4. Balances with Scheduled Banks: Rs. 80,91,799.50

(a) The Bank certificates in respect of the following accounts have not been produced to us for our verification :

State Bank of India	Rs. 51,307.64
Shimla, Savings Bank (CPF)	
United Commercial Bank, Dhalli (Fixed Deposit)	Rs. 2,01,179.71

(b) There was a difference in the following bank accounts for which no explanations were given to us :

State Bank of Patiala, Dharamshala	Rs. 100.00
Central Bank of India, Shimla Division	Rs. 4,805.92

(c) It has been observed that there is no system for periodical reconciliation of bank accounts. As a result of it, reconciliation statements provided to us includes huge entries outstanding in respect of earlier years which could have been very well adjusted had the reconciliation been done timely. A system for periodical reconciliation of bank accounts should be introduced, so that the required adjustments are done well in time and the balances appearing in the books of the Board reflect the correct position of the bank accounts.

5. Balance in Post Office Saving Account: Rs. 50,000.00

The balance confirmation certificate in respect of the above deposit has not been produced for our verification. No provision for interest accrued upto the date of the Balance Sheet in respect of the same has been made.

No employee-wise detail in respect of the same has been furnished.

(d) T.A. Advance: Rs. 1,968.30

(g) Miscellaneous Advance: Rs. 50,530.94

7. Miscellaneous Advances: Rs. 20,66,885.10

(a) Advance for land:

A sum of Rs. 5,53,631.96 have been paid as advance for acquisition of land as detailed below:—

Collector Hamirpur	Rs. 2,05,799.68
Collector Solan	Rs. 1,96,122.07
Collector Una	Rs. 1,15,717.21

Necessary adjustments in this regard should have been made, as the land has already been acquired by the Board.

(b) Miscellaneous Advances and Deposits :

No details in respect of Miscellaneous Advances of Rs. 6,02,877.08 at Shimla Division and Rs. 2,48,770.44 at Dharamshala Division have been furnished.

(c) Other Advances:

No details in respect of other advances of Rs. 2,897.40 have been furnished.

(d) Imprest Account: Rs. 23,420.49

This amount represents the imprest with Executive Engineers, Shimla Division amounting to Rs. 19,820.49 and Dharamshala Division amounting to Rs. 3,600/-. The same should have been adjusted at the end of the year.

(e) Advances to Contractors: Rs. 1,58,405.01

No details in respect of the said advance have been furnished.

8. Cash Settlements Suspense Account: Rs. 2,39,971.00

No details in respect of the same have been furnished. This amount represents value of stocks transferred to different units, but in respect of which no corresponding credit has been given by the receiving unit.

No adequate system is being adopted for recording stock transfers from one division to another division whereas the issuing unit debits the value of stock transferred to Cash Settlement Suspense Account, the receiving unit credits the same to Material Purchase Account. Thus, in the Balance Sheet the effect of stock transfers is shown by Cash Settlement Suspense Account on debit side and by Material Purchase Account on credit side, whereas both these accounts should be adjusted against each other. A system for accounting stock transfers should be adopted so that the adjustments in respect of the same are made and these two superfluous accounts should be adjusted against each other.

9. Initial Deposits/ Earnest Money from Allottees: Rs. 13,52,826.80

The details furnished in respect of initial deposits/earnest money received from allottees has been prepared scheme-wise, but no allottee-wise details have been furnished.

10. Water Connections Security: Rs. 65,465.00

No detail in respect of water connection security received at Parwanoo Division has been furnished.

11. Earnest Money/Security Deposits : Rs. 6,12,222.67

No detail in respect of Earnest Money & Security Deposits at Shimla Division for Rs. 1,64,637.60 has been furnished.

12. Material Purchase Account : Rs. 12,51,113.81

Parwanoo Division	Rs. 1,58,463.44
Dharamshala Division	Rs. 1,23,242.03
Shimla Division	Rs. 9,67,343.70
Paonta Factory	Rs. 20,064.64

No details in respect of the above mentioned balances have been furnished. These amounts represent the amounts payable to Suppliers, as at the close of the year and the value of stocks transferred from other divisions.

The Material Purchase Account is credited with the original cost of stocks received from the Suppliers and other divisions of the Board and is debited with the payments made to the supplier/division. This account, as a result always leaves a credit balance.

In our opinion, the system of crediting Material Purchase Account with the value of stock received is not adequate. Instead, the party's personal account should be credited with the value of goods received and payments made to respective parties should be debited directly to parties account only. This shall give the net amount payable to the different parties, at any particular point of time, which should be treated as Sundry Creditors.

In case of inter-unit transfers, the system as enumerated in para 8 of our report, should be followed.

13. Sundry Creditors: Rs. 1,07,33.10

No details in respect of Sundry Creditors have been furnished.

14. Expenses payable: Rs. 19,959.58

It included a sum of Rs. 19,416.30(Dr.) on account of salary payable for which no details have been furnished. It is quite surprising as to how this account show a debit balance. This account is subject to reconciliation, and the same does not seem to have been done from the last many years.

15. Other Liabilities : Rs. 3,34,974.57

(a) No details in respect of the following amounts have been provided:

Pension & Leave Salary Payable	...	Rs. 48,115.16
G.P. Fund Payable	...	Rs. 3952.00
Income Tax payable	...	Rs. 31,378.00
Scooter Advance	...	Rs. 1,026.00
TTA Advance	...	Rs. 1,597.00

(b) It also includes a sum of Rs. 2,39,152.76 on account of rent of office building (Nigam Bihar, Shimla) which is to be adjusted against the amounts received from the co-owners. The said adjustment is pending from the last many years. The same should be adjusted as the building has already been completed in all respects and occupied by the respective co-owners.

16. Contributory Provident Fund: Rs. 2,13,919.26

This amount represents the employees share and employers share of the Provident Fund contributed by the employees and the Board and interest thereon. It also includes a sum of Rs. 2,527.12 on account of Bank interest on amount deposited with the Bank.

No employee-wise details in respect of individual contribution of the employees towards Provident Fund were made available. Moreover, in respect of Board's contribution towards Provident Fund, provision for a sum of Rs. 2,795.00 has been made during the year instead of calculating the actual liability towards contribution to Provident Fund. Similarly, instead of charging interest actually on the accumulations of the Provident Fund of individual employees, a lump sum provision of Rs. 6,000/- only has been made.

In the absence of any details, the amount of Provident Fund accumulation to the credit of any individual, employee cannot be ascertained. Moreover, it could also not be verified whether the employee-wise accumulations shall reconcile with the total accumulations of the Provident Fund.

17. Capitalisation of Interest :

Interest on Himachal Pradesh Government loan has been capitalised on various Housing Schemes of plots, flats and houses and other buildings proportionately on the basis of total expenditure incurred on the respective works/schemes during the year, whereas the same should have been capitalised on the basis of total expenditure incurred on the respective schemes/works upto the end of the year. However, interest on loan from HUDCO and Banks has been directly charged to various schemes/works for which the respective loans had been availed.

In our opinion, the interest on loans in respect of various Housing Schemes, Buildings and Schemes of Plots/Schemes, which had completed either before the start of the year or during the year, should not be capitalised, but should be charged to revenue.

18. Accounting system :

It has been observed that no proper accounting system is being adopted by the Board both at Head Office and divisions. As a result, there are numerous adjustments lying pending since long which should have been adjusted but could not be done for want of proper information and co-ordination.

At present, the Monthly Trial Balances are sent by the Divisions to Head Office which are again journalised at Head Office, thus duplicating the work without any material use. The maintenance of accounts should be decentralised and individual Balance Sheet and Profit & Loss Account of each Division should be prepared, which should be consolidated at the year end at Head Office. For this, an Accounting Manual should be prepared and the system should be standardised so that the accounts at each Division are maintained on a similar pattern. Similarly, the proforma for Balance Sheet & Profit & loss Account and other periodical reports should be standardised so that there is no problem at the time of consolidation.

19. Administrative Charges :

It has been observed that administrative charges have been allocated to works at different percentages by different divisions. However, at the year end, necessary adjustments have been made to make it 10% of the direct cost of a particular work in all the cases. The said adjustments are yet to be carried out at Divisional levels.

In our opinion, the percentage at which the administrative charges are to be allocated to the works should be pre-determined and intimated to all the divisions, so that the same are charged on identical basis in all the divisions.

20. Internal Audit :

The internal audit system is inadequate. No internal audit was carried out during the year. However, internal audit of the accounts for the year 1978-79 was conducted in the year 1982, which was virtually of no use. Moreover, the discrepancies found during the course of internal audit are yet to be settled.

In our opinion, the internal audit system needs to be strengthened and it should be conducted during the year on continuous basis with proper follow up action also.

No agreement/document on the basis of which the allocation has been made was produced to us for our verification. The title deed of land have also not been produced to us.

2. Work-in-Progress: Rs. 3,83,24,843.58

(a) *Expenditure incurred on schemes and buildings:*

A sum of Rs. 5,97,25,614.91 has been spent by the Board on various plots, buildings and Housing Schemes up to 31st March, 1980. The aforesaid amount has been shown under "Work-in-progress" without considering the fact whether a particular scheme has been completed or not. Township/Housing Colony has been treated as one unit and the same has not been bifurcated into various schemes. The actual cost of a particular scheme has not been ascertained and the deviations, if any, from budgeted costs have also not been worked out. Moreover, even in cases where the respective schemes have completed and possession of flats/plots has been given to the allottees, the cost incurred is being shown under the head "Work-in-progress", whereas after the completion construction/development of a scheme and allotment of flats/plots to the public, the actual cost of that particular scheme should have been ascertained and shown separately as "Recoverable from the Allottees". Further more, the cost of various buildings constructed and owned by the Board have not been transferred to Fixed Assets, but are being shown under the head "Work-in-progress" only, except for the Nigam Vihar Building, Shimla, the cost of which has been allocated during the year under audit.

(b) *Receipts from Allottees:*

A sum of Rs. 2,14,00,771.33 representing initial deposits and instalments (principal and interest) has been received from allottees on account of various commercial plots and buildings, multi-storeyed complex at Shimla and Housing Schemes. The said amount has been deducted from the total amount of Rs. 5,97,25,614.91 spent by the Board on these upto 31st March, 1980. The initial deposits/instalments received from the allottees should have been deducted from the total amount recoverable from the allottees in respect of that particular scheme, to show the net amount recoverable from the allottees, scheme-wise. The amount of interest received from the allottees after the completion of the respective schemes should have been treated as "Revenue Receipt".

3. Stocks-in-Hand: Rs.30,06,591.21

No physical verification of stocks has been conducted by the Management at any stage during the year. Since the physical inventories in respect of the material for works at sites at different divisions and raw materials, finished goods and stores & spares at Paonta Sahib were not available the value of the same has been taken, as it stands in the financial ledgers as on 31st March, 1980. In the absence of any details, basis of valuation of the stocks at the close of the year and accuracy of consumption of stocks and stores could not be verified.

In our opinion, physical verification of stocks must be conducted at least once at the end of the year and stock reconciliation reports, reconciling the stock records and the financial records should be prepared. The stocks as at the end of the year should be worked out on the basis of the physical inventories and adequate adjustments should be made for shortages/excess, if any.

Stationery-in-hand amounting to Rs.4,500/- has been calculated at Head Office only and no details of stationery in-hand has been worked out, at the respective divisions.

4. Balances with Scheduled Banks: Rs. 84,00,956.54

(a) The Bank certificate in respect of the following accounts have not been produced to us for our verification:

State Bank of Patiala, Dharamshala, Saving a/c	Rs. 1793.72
State Bank of Patiala, Hamirpur Savings Bank a/c	Rs. 282.79

(b) There was a difference in the following bank accounts for which no explanations were given to us:

Central Bank of India, Shimla Division	Rs. 4,805.92
State Bank of India, Shimla	Rs. 3,072.69
State Bank of Patiala, Shimla	Rs. 280.00
Punjab & Sind Bank, Shimla	Rs. 20.97
Union Bank of India, Shimla	Rs. 6,598.65

(c) It has been observed that there is no system for periodical reconciliation of bank accounts. As a result of it, reconciliation statements provided to us includes huge entries outstanding in respect of earlier years which could have been very well adjusted had the reconciliation been done timely. A system for periodical reconciliation of bank accounts should be introduced, so that the required adjustments are done well in time and the balances appearing in the books of the Board reflect the correct position of the bank accounts.

(d) No provision for interest accrued on FDR (CPF) for Rs. 25,000/- with UCo Bank, Shimla has been made.

5. Staff Advances : Rs. 1,32,155.60

(a) *Warm Clothing Advance.*—No employee wise details in respect of the warm clothing advance of Rs. 4,783.00 at Head Office has been provided.

(b) *Pay Advance.*—No employee wise details in respect of Pay Advance amounting to Rs. 873/- at Head Office has been provided.

(c) *Miscellaneous Advances.*—No employee-wise details in respect of Miscellaneous Advances at Shimla Division and Parwanoo Division amounting to Rs.15,604.14 and Rs.47,450.79 respectively has been provided.

6. Miscellaneous Advances: Rs. 36,77,871.99

(a) *Advance for Land:*

A sum of Rs. 5,53,631.96 have been paid as advance for acquisition of land as detailed below:

Collector, Hamirpur	Rs. 2,05,799.68
Collector, Solan	Rs. 1,96,122.07
Collector, Una	Rs. 1,51,710.21

Necessary adjustments in this regard should have been made, as the land has already been acquired by the Board.

(b) *Imprest Account:* Rs. 7,66,631.17

This amount represents the imprest with Executive Engineer, Shimla Division amounting to Rs. 1,63,954.92, Dharamshala Division amounting to Rs. 53,600/- and Parwanoo Division amounting to Rs. 5,49,077.25. The same should have been adjusted at the end of the year.

7. Cash Settlement Suspense Account: Rs. 7,73,970.45

No details in respect of the same have been furnished. This amount represents value of stocks transferred to different units, but in respect of which no corresponding credit has been given by the receiving unit. No adequate system is being adopted for recording stock transfers from one Division to another Division, whereas the issuing unit debits the value of stock transferred to Cash Settlement Suspense Account, the receiving unit credits the same to Material Purchase Account. Thus, in the Balance Sheet the effect of stock transfers is shown by Cash Settlement Suspense Account on debit side and by Material Purchase Account on credit side. Whereas both these accounts should be adjusted against each other. A system for accounting stock transfers should be adopted so that the adjustments in respect of the same are made and these two superfluous accounts should be adjusted against each other.

8. Initial Deposits/Earnest Money from Allottees : Rs. 22,68,187.80

The details furnished in respect of initial deposits/earnest money received from allottees has been prepared scheme-wise, but no allottee-wise details have been furnished.

9. Material Purchase Account : Rs. 22,81,194.32

Parwanoo Division	Rs. 7,37,485.51
Dharamshala Division	Rs. 1,91,139.70
Shimla Division	Rs. 13,20,258.77
Paonta Factory	Rs. 32,310.34

No details in respect of the above mentioned balance have been furnished. These amounts represent the amounts payable to suppliers, as at the close of the year and the value of stocks transferred from other division. The Material Purchase Account is credited with the original cost of stocks received from the suppliers and other divisions of the Board and is debited with the payments made to the supplier/divisions. This account, as a result always leaves a credit balance.

In our opinion, the system of crediting Material Purchase Account with the value of stock received is not adequate. Instead, the party's personal account should be credited with the value of goods received and payments made to respective parties should be debited directly to parties account only. This shall give the net amount payable to the different parties, at any particular point of time, which should be treated as Sundry Creditors.

In case of inter-unit transfers, the system as enumerated in para 7 of our report, should be followed.

10. Sundry Creditors : Rs. 1,07,046.35:

No details in respect of Sundry Creditors has been furnished.

11. Expenses Payable : Rs. 1,62,211.16:

No details in respect of expenses payable has been furnished. Moreover, Rs. 69,511.64 out of the opening balance has not been adjusted during the year.

12. Other Liabilities: Rs. 9,16,788.53:

(a) No details in respect of the following amounts have been provided:—

Pension & Leave Salary payable	Rs. 45,890.86
G.P. Fund payable	Rs. 6,041.00
Income Tax payable	Rs. 34,068.05
Staff Advances (Cr.) Shimla Divn.	Rs. 19,020.20
Miscellaneous Deposits	Rs. 16,916.04

(b) It has also includes a sum of Rs. 3,01,648.92 on account of rent of office Building (Nigam Vihar, Shimla) which has been collected by the Board on behalf of other co-ownrs. The cost of the building has been devited to the respective co-owners during the year, and a sum of Rs. 2,26,842.56 has been shown as recoverable from the co-owners under 'Loans & Advances'. The said amount of Rs. 3,01,648.92 should have been adjusted against the amount recoverable from the co-owners.

13. CONTRIBUTORY PROVIDENT FUND: Rs. 2,93,555.44:

This amount represents the employees share and employer's share of the Provident Fund contributed by the employees and the Board and interest thereon. It also includes a sum of Rs. 4,837.30 on account of Bank interest on amount deposited with the Bank.

No employee-wise details in respect of individual contributions of the employees towards Provident Fund were made available. Moreover, in respect of Board's contribution towards Provident Fund, provision for a sum of Rs. 30,000.00 has been made during the year instead of calculating the actual liability towards contribution to Provident Fund. Similarly, instead of charging interest actually on the accumulations of the provident Fund of individual employees, a lump-sum provision of Rs. 11,000/- only has been made.

In the absence of any details, the amount of Provident Fund accumulations to the credit of any individual employees cannot be ascertained. Moreover, it could also not be verified whether the employee-wise accumulations shall reconcile with the total accumulations of the Provident Fund.

14. CAPITALISATION OF INTEREST:

Interest on Himachal Pradesh Government Loan has been capitalised on various Housing Schemes of plots, flats, and Houses and other Buildings proportionately on the basis of total expenditure incurred on the respective works/schemes during the year, whereas the same should have been capitalised on the basis of total expenditure incurred on the respective schemes/works upto the end of the year. However, interest on loans from HUDCO and Banks has been directly charged to various schemes/works for which the respective loans had been availed.

In our opinion, the interest on loans in respect of various Housing Schemes, Buildings and schemes of plots/sheds, which had completed either before the start of the year or during the year, should not be capitalised, but should be charged to revenue.

15. ACCOUNTING SYSTEM:

It has been observed that no proper accounting system is being adopted by the Board both at Head Office and Divisions. As a result, there are numerous adjustments lying pending since long which should have been adjusted, but could not be done for want of proper information and Co-ordination. At present, the Monthly Trial Balance are sent by the Divisions to Head Office which are again journalised at Head Office, thus duplicating the work without any material use. The maintenance of accounts should be decentralised and individual Balance sheet and Profit & Loss Account of each Division should be prepared, which should be consolidated at the year end at Head Office. For this, an Accounting Manual should be prepared and the system should be standardised so that the accounts at each Division are maintained on a similar pattern. Similarly, the proforma for Balance Sheet, Profit & Loss Account and other periodical reports should be standardised so that there is no problem at the time of consolidation.

16. ADMINISTRATIVE CHARGES:

It has been observed that administrative charges have been allocated to works at different percentages by different divisions. However, at the year end, necessary adjustments have been made to make it 10% of the direct cost of a particular work in all the cases. The said adjustments are yet to be carried out at Divisional levels.

In our opinion, the percentage at which the administrative charges are to be allocated to the works should be pre-determined and intimated to all the divisions, so that the same are charged on identical basis in all the divisions.

17. INTERNAL AUDIT:

The Internal audit system is in-adequate. No internal audit was carried out during the year. However, internal audit of the accounts for the year 1979-80 was conducted in the year 1982, which was virtually of no use. Moreover, the discrepancies found during the course of internal audit are yet to be settled. In our opinion, the internal audit system needs to be strengthened and it should be conducted during the year on continuous basis with proper follow up action also.

18. MISCELLANEOUS RECEIPTS: Rs. 1,47,102.76 :

No details in respect of Miscellaneous Receipts amounting to Rs. 54,983.05 at Dharamshala Division has been provided.
